

SABRA & PIONEER campers entering grades 3-8 choose one ELECTIVE per week.

Instruction time for each elective is 3 hours over a 2 day period.

Sign up soon as space is limited.

Each ELECTIVE is led by a professional instructor. *(Minimum of 5 campers required to run an elective)*

Please note that select ELECTIVES have an additional cost.

ELECTIVE

SOCCER CLINIC – Led by our own CGI Coach! In this elective you will improve your offense skills, ability to score goals, practice volleys, breakaways and fancy foot moves. Learn good decision making and how to think like a winner!

TENNIS – Led by the David Lemar Tennis Program, whether you are an advanced tennis player and looking to improve your skills or just starting out, our tennis instructors will guide you to where you need to go. Emphasis is on forehand and backhand drive, serve, footwork, rules, correct form and court etiquette. Ratio 1:5

ARCHERY – Learn the art to an old time tradition of using a bow and arrow. In this elective campers will learn how to hold, aim, and shoot their very own bow and arrow. Learn patience, focus and attention to detail through focused instruction. Led by a team from the Archery Center.

BASEBALL CLINIC – Rhinehart Baseball has been coaching kids and perfecting their pitching, catching and hitting skills for years. Coach Billy brings all the equipment, just bring your game!

ART EXPLORERS – Explore a variety of art mediums through craft projects, painting, drawing, beading, paper arts, sculpting & More! Emphasis is on creativity, fun games and the love of art. If you love art this elective is for you!

ENGINEERING WITH LEGO

From Noah's Ark to a life sized car, campers will build a Lego creation as a team under the direction of Sir Brixalot Lego.

LEATHER CREATIONS

Learn to carve and stamp designs on a variety of leather pieces. Design beautiful keepsakes that you'll hold special for years to come.

MINECRAFT MODDING

Minecraft here we come! This elective will feature a new, unique mod and allow the class to play in multiplayer mode which places campers together in a single, shared world to work collaboratively and build structures. Beginners will be taught the basics and advanced builders will be grouped together and given more challenging projects.

HORSEBACK RIDING

CGI has teamed with Tamarack Stables to bring our campers the chance to learn the basics of riding and grooming without going off camp grounds. Tamarack Stables has experienced instructors who help riders become comfortable around horses and in the saddle, and refine their equestrian skills.

FENCING – As one of the safest sports, fencing makes fitness fun! It builds muscle strength, provides a great cardiovascular workout, and improves endurance coordination and speed. Our instructor will bring all the equipment and campers are sure to enjoy this elective. Led by Jun Liang fencing Academy.

ES

DUCT TAPE DESIGN – How creative can you be? Learn how to make multiple practical items you can use every day out of duct tape!

3D DESIGN AND PRINTING – Have you ever wondered what it would be like to print something in 3D? In this elective campers will create a Computer Animated Design (CAD) using computers & they will be able to print their masterpieces! Our instructors will help campers learn common structural engineering techniques to make sure their designs are structurally sound.

MASTER CHEF – Do you love to cook? In this elective campers will be able to bring out their true talent while cooking a variety of dishes and pastries and they will come out a true master chef!

BALLOON TWISTING 101 – Our balloon experts will teach you how to twist balloons, emphasizing the basic types of twists that are used in everything from the simple dog balloon to giant balloon sculptures.

CANDY ART – Use candy to make “sushi”, “sand art”, “stained glass” and jelly bean portraits. How sweet it is!

RESTAURANT MANIA – Would you like to open a kosher restaurant? In this elective campers will learn the basics skills of cooking and make wonderful restaurant quality dishes.

BASKETBALL CLINIC – Led by Coach Renzo. Campers will learn basketball skills and techniques that include passing, shooting, dribbling and other fundamentals of the game. This elective will also include scrimmages to reinforce teamwork.

HELLO CUPCAKE – Want to bake a cupcake? In this elective you will not only learn to bake a cupcake but enjoy multiple challenges while doing so!

ULTIMATE FRISBEE – Learn from Frisbee champions! In this elective campers will learn the art of how to properly throw a frisbee as well as enjoy great team exercises all under the guidance of world champion ultimate frisbee players.

CHOPPED – Best on the famous show Chopped, campers will have to make delicious food from a basket of secret ingredients. Judges will decide who is the winner!

MARTIAL ARTS – Learn self defense and self discipline while having fun with Jhoon Rhee institute of Tae Kwon Do.

SURVIVING THE WILD – Learn various methods of survival in the great outdoors! This elective will teach you how to survive in many different scenarios.

GAME CODING – Coding is Fun! In this elective campers will learn the basics of computer science with fun game-based programming and create and design their very own video game!
