*A five-acre campus with playgrounds, activity fields, and natural surroundings!*

Can't decide which summer camp is right for your kids?

**CHOOSE ONE THAT'S GOT IT ALL!**

Gan Israel is like dozens of specialty camps all rolled into one. You name it, we've got it. We enjoy a well-earned reputation as a trendsetter - working hard each year to incorporate innovative ideas and brand new activities into our program.

In a single day, your child could learn to fly a model rocket, create a ceramic masterpiece, and take a swimming lesson. All while making new friendships and experiencing the joy of their Jewish heritage.

In addition to the finest professional instructors Northern Virginia has to offer, our outstanding counselors are painstakingly chosen from hundreds of applicants from across the U.S. The result is a team that's energetic, fun loving, attentive, and guaranteed to keep your kids stimulated and growing with each passing day. It's no wonder our campers return day-after-day, summer-after-summer.

So why choose? Enroll your kids in Camp Gan Israel, and enjoy the best of all worlds.

# iShops

for SABRAS & PIONEER CAMPERS

Sabras & Pioneer campers entering grades 3-9 choose one iShop per week. Instruction time for each elective is 3 hours over a 2 day period. Each iShop is led by a professional instructor. Please note that select iShops are additional.

- Acting** – Do you love to act? Get expert coaching from the actors of Synetic Theatre. This iShop is perfect for creative young minds with an interest in theater or acting.
- Jewelry Design** – Want to impress your friends? In this iShop you will learn different techniques on how to make your very own macramé friendship jewelry.
- Martial Arts** – Learn self defense and self discipline while having fun with Jhoon Rhee institute of taekwon do.
- Amazing Accessories** – If you like accessories then this iShop is right for you. Create your own style hair bands, headbands, purses and more!
- Plasterworks** – Led by the staff from Color Me Mine Studio. Campers will be able to choose and paint their own pieces of unfinished pottery with a unique plaster art design.
- Tennis** – Led by the David Lemar Tennis Program, whether you are an advanced tennis player and looking to improve your skills or just starting out, our tennis instructors will guide you to where you need to go. Emphasis is on forehand and backhand drive, serve, footwork, rules, correct form and court etiquette. Ratio 1:5
- Bead Creations** – While using paper and clay beads, create a variety of different items ranging from friendship bracelets to necklaces and everything in between.

- Video Game Programming** – Does your child dream of writing his or her own video games? We've found a great way to get started: Join the experts from Adventure with Robots Company and learn how to design your very own video adventure.
- Electronics** – Led by the experts from the Adventure with Robots Company, their electrical engineers will teach campers the fundamentals of electricity. We'll learn about series and parallel circuits and more, while building awesome projects including simple motors, noise makers, burglar alarms and more!
- Soccer Clinic** – Led by the coaches from Golden Boot Soccer. In this iShop you will improve your offense skills, ability to score goals, practice volleys, breakaways and fancy foot moves. Learn good decision making and how to think like a winner!
- Puppetry** – Create-a-puppet with the experts from Carousel Puppets. Choices include hand, rod or shadow puppets. Learn to use your puppet on a set with music, "voices", and props.
- Basketball Clinic** – Led by Coach Rhinehart. Campers will learn basketball skills and techniques that include passing, shooting, dribbling and other fundamentals of the game. This iShop will also include scrimmages to reinforce teamwork.
- Horseback Riding** – CGI has teamed with Tamarack Stables to bring our campers the chance to learn the basics of riding and grooming without going off camp grounds. Tamarack Stables has experienced instructors who help riders become comfortable around horses and in the saddle, and refine their equestrian skills.

- Adventures with Robots** – Ever wanted to build a robot? With the staff from Adventures with Robots they will teach campers how to build robots while exciting them about science, technology, and engineering.
- Room Decorating 101** – Create new things to decorate your room like pillows for your bed, a personalized light switch cover, pom-pom or beaded door hangers, and more!
- Baseball Clinic** – Rhinehart Baseball has been coaching kids and perfecting their pitching, catching and hitting skills for years. Coach Billy brings all the equipment, just bring your game!
- Leather Designs** – Learn to carve and stamp designs on a variety of leather pieces. Design beautiful keepsakes that you'll hold special for years to come.
- The Art of Magic** – Learn wonderful tricks and how to execute them the magical way. Campers will learn various different magic tricks and techniques such as misdirection, suggestion, and slight of hand.

- Sewing** – In this iShop campers will create lots of cool items using recycled clothing, some magic and a needle and thread. Create a tank top beach bag, tee shirts pillows, cool jean skirts and pants out of an old pair and more!
- Master Chef** – Do you love to cook? In this iShop campers will be able to bring out their true talent while cooking a variety of dishes and pastries and they will come out a true master chef!
- Woodworking** – Sand, saw and hammer - all under the guidance of the staff from Home Depot. Projects can include a sailboat, jewelry box, birdhouse and many others.
- Chocolate Creations** – If you love chocolate you will love this iShop. Campers will shape their own chocolate pieces and decorate them with a variety of chocolate paints.
- Engineering with Lego** – From Noah's Ark to a life sized car, campers will build a Lego creation as a team under the direction of Brixalot Lego.
