# CAN'T DECIDE WHICH SUMMER CAMP IS RIGHT FOR YOUR KIDS?

**Choose One That's Got It All!**

Gan Israel is like dozens of specialty camps all rolled into one.

Sports. Art. Science. Magic. Camping. You name it, we've got it. We enjoy a well-earned reputation as a trendsetter. We work hard each year to incorporate innovative ideas, creative programs, and brand new activities to make Camp Gan Israel the absolute BEST summer program available ANYWHERE!

Our camp is the summer home for Northern Virginia's finest coaches and instructors. They'll work with your child to learn new skills, broaden their horizons, and develop self-esteem.

Together, they'll turn each day into an adventure. In a single day, your child could learn a new karate technique, fly a model rocket, create a ceramic masterpiece, and take a swimming lesson. All while enjoying lots of stories, songs, making new friendships, and experiencing the joy of their Jewish heritage.

## **THE REAL SECRET TO OUR SUCCESS IS OUR OUTSTANDING STAFF!**

In addition to the finest professional instructors Northern Virginia has to offer, our outstanding counselors are carefully chosen from hundreds of applicants from across the United States, Canada and Israel. The result is a team that's energetic, fun loving, attentive, and guaranteed to keep your kids stimulated and growing with each passing day. It's no wonder our campers return day-after-day, summer-after-summer.

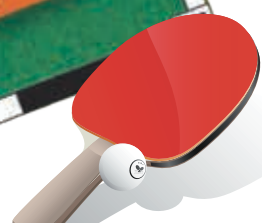

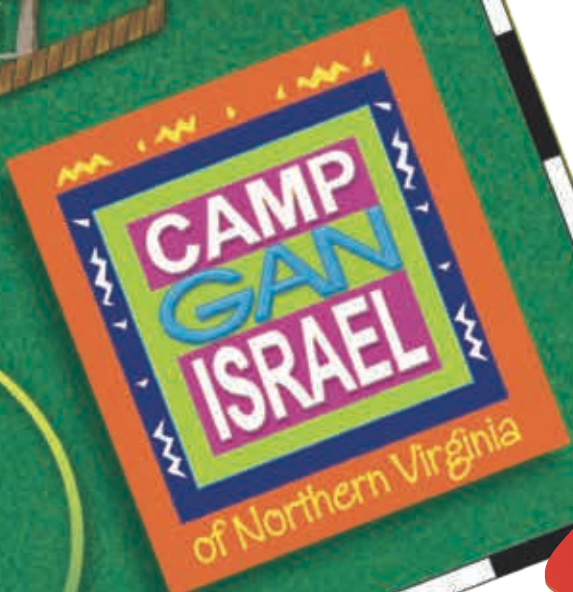

So why choose? Enroll your kids in Camp Gan Israel, and enjoy the best of all worlds.

# ELECTIVES

**SABRA & PIONEER**  
campers entering grades 3-8

choose one  
**ELECTIVE** per week.

Instruction time for  
each elective is 3 hours  
over a 2 day period.

Sign up soon as  
space is limited.

Each **ELECTIVE** is led by  
a professional instructor.  
*(Minimum of 5 campers  
required to run an elective)*

Please note that select  
**ELECTIVES** have an  
additional cost.

**BEADAZZLING:** While using paper and clay beads, create a variety of different items ranging from friendship bracelets to necklaces and everything in between.

**DRAMA:** Perfect for creative young minds with an interest in theater. Join your teacher as he leads campers to learn the basics of pantomime, clowning and physical comedy. Kids will create characters and play games that expand listening skills, teamwork, concentration and self-confidence through the imagination.

**REAL ROBOTICS:** Campers will work in teams of two to model and create a new, different motorized robotic machine. Each group will be provided with basic building instructions and encouraged to improvise and customize their creations.

**SOCCER:** Led by our own CGI Coach! In this elective you will improve your offense skills, ability to score goals, practice volleys, breakaways and fancy foot moves. Learn good decision making and how to think like a winner!

**TENNIS:** Led by the David Lemar Tennis Program, whether you are an advanced tennis player and looking to improve your skills or just starting out, our tennis instructors will guide you to where you need to go. Emphasis is on forehand and backhand drive, serve, footwork, rules, correct form and court etiquette.

**CIRCUS ACTS:** Unique and popular with the kids as we focus training on specific circus arts such as juggling, unicycles, balance on low

wire, hula hooping, and aerial silks as well as teaching performance of these skills.

**KARATE:** Learn self defense and self discipline while having fun with Jhoon Rhee institute of Tae Kwon Do and Martial Arts.

**CANVAS PAINTING:** Go through your own personal journey and create something you never thought possible! Start from the beginning with the step by step process and be amazed at what you can make!

**MASTER CHEF:** Do you love to cook? In this elective, campers will be able to bring out their true talent while cooking a variety of dishes and pastries and they will come out a true master chef!

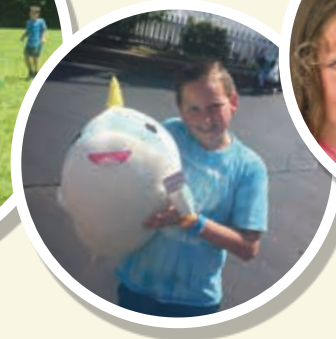

**CUISINE CREATIONS:** The magical kitchen awaits for your interesting and experimental cooking creations! Join with a partner or team and discover new recipes you ever knew existed!

**FENCING:** As one of the safest sports, fencing makes fitness fun! It builds muscle strength, provides a great cardiovascular workout, and improves endurance coordination and speed. Our instructor will bring all the equipment and campers are sure to enjoy this elective. Led by Jun Liang fencing Academy.

**POTTERY:** Create a piece of pottery from start to finish! Use hand building skills and special techniques to form the clay. Learn painting and sponging techniques. Your masterpiece will be kiln-dried and returned to camp.

**FLAG FOOTBALL:** Whether your child is a Giants or Jets fan, our exciting flag football elective is the perfect outlet for their football passion. This program provides an introduction to the game of football in a fun and dynamic environment. Classes consist of skill development and game play.

**HORSEBACK RIDING:** CGI has teamed with Tamarack Stables to bring our campers the chance to learn the basics of riding and grooming without going off camp grounds. Tamarack Stables has experienced instructors who help riders become comfortable around horses and in the saddle, and refine their equestrian skills.

**EV3:** Campers will design and build programmable robots using motors, sensors, gears, wheels, axles and other components. Campers will work cooperatively and gain hands-on experience building, programming, testing, troubleshooting and revising their designs to improve performance.

**FASHION FUSION:** Fashion Fusion is a creative course in which campers will learn the elements, principles and psychology of design. Students will then be given the freedom to apply these concepts in the areas of both fashion and interiors.

**YOGA:** In this Elective the basic, foundational yoga postures are practiced to align, strengthen and promote flexibility in the body. ... Full-body relaxation and balance are the goals, as we make a full circuit of the body's range of motion with standing postures, twists, backbends, forward folds, and hip openers.

**3D DESIGN AND PRINTING:** Have you ever wondered what it would be like to print something in 3D? In this elective campers will create a Computer Animated Design (CAD) using computers & they will be able to print their masterpieces! Our instructors will help campers learn common structural engineering techniques to make sure their designs are structurally sound.

**COOKING AROUND THE WORLD:** Israeli, Italian and Eastern European – Learn to cook different dishes with tastes from around the globe.

**SPORTS MANIA:** Does your child love sports of all types? We've got them all! With professional coaches your child will learn the basics and advanced sports that he/she loves! See you on the field!

**SCIENCE REVEALED:** Join a scientist from Mad Science of Washington and be amazed. Put your goggles on and don't be afraid to get a little messy because these experiments are sure to be wild!

**BASEBALL CLINIC:** Rhinehart Baseball has been coaching kids and perfecting their pitching, catching and hitting skills for years. Coach Billy brings all the equipment, just bring your game!

**MINDSTORM MACHINES:** Students will be introduced to important robotics concepts like electricity, motors, sensors and software. Students will work with a partner and use laptops and software to build and program their robots. Each class will conclude with brief presentations of their customized creations.

**VIRTUAL REALITY:** Introduction to Virtual Reality is a mini-course that introduces students to the basics of building virtual reality worlds using HTML and the A-Frame JavaScript Library. Through this course, students will build their own virtual reality worlds that are compatible with VR devices, including smartphone VR headsets!

**LEATHER CREATIONS:** Learn to carve and stamp designs on a variety of leather pieces. Design beautiful keepsakes that you'll hold special for years to come.

**CUPCAKE WARS:** Do you love to bake? In this elective campers will be able to bring out their true talent while baking a variety of cupcakes in a friendly competition with their friends.
