***Tzedakah, Tzedakah,
Tzedakah,
That is what we give,
To the poor people to
help them live
So they'll have food
and clothes,
So they'll have food
and clothes,
Even one penny a
day, before we start
to pray!***

**To love a fellow Jew
Just the same as you,
Is the basis of our holy to-
rah**

**He may be far from me
Across the widest sea
But still ill love Him just
the same**

**For seventy, eighty years
A neshama wears and
tears
Just to do a favor for an-
other**

**Love him with all your
heart,
The heavens spread apart
For every Jew is really
our brother [Sister!]**

**Peel bananas, peel peel bananas
Said a peel bananas,
peel peel bananas
Said a go bananas, go go bananas
Said a peel to the left
Peel to the right
Make a bracha and mmm!
Take a bite**

ISHOPS

Karate– This week at karate we perfected our kicks and practiced ducking. We also remember to listen with our eyes, ears, and body!

Magic Kitchen really brings out the chef (and magician J) in your kids. This week we made stain glass cookies with awesome candy sprinkles.

Balloon Twisting– This totally cool activity taught us how to twist and squeeze our balloons into things we didn't even know could be made out of balloons like flowers, giraffes and monkeys!

Amazing Accessories was a fabulous way to show our creativity and personality! We made fancy purses and superbly awesome flip flops!

Baseball– The campers had a blast playing with their teams! The coach really helped them improve their batting and catching skills!

Tennis: Rackets were flying in this iShop as the campers had a great time playing tennis games! Each camper learned great tennis techniques while enhancing their skills.

WHAT WE LEARNED THIS WEEK...

Mezuza Monday	We learned what a mezuzah consists of and how it's made. Campers discovered that it's a protection for the home and its residents. Whenever we pass by a mezuzah affixed to the entrance we give it a kiss.
Tuesday: Do's & Don'ts	There are 613 commandments in the Torah. We learned they are divided 2 different ways: 1) The do's and don'ts -positive and negative ones. 2) The commandments between man and man and between man and G-D.
Charity Wednesday	We learned various ways of giving charity. Besides for donating money to the poor there is also volunteering, giving food, finding a job for a poor person, hosting guest and other ways...
Ahavas Yisroel Thursday	Being nice is actually a commandment and this applies to everyone! Helping out, sharing, being kind etc. are all variations of this beautiful commandment.
Mitzvah Friday	We learned all about the Shabbat. How we celebrate this holy day and the special commandment for girls – lighting Shabbat candles and the special commandment for boys- to make Kiddush.
