FLASHBACKS

Monday- We started session three in camp!! It was super exciting to see some new faces especially the older division's new head counselor Bracha! We would like to welcome you to our camp today! We started off the day with the most amazing water activities anyone could ever imagine! There was first a pin aqua filled with water and when we banged it, out came splashing, refreshing water! Then we had a grand water balloon fight! Wahoo. After that we had an adventurous watermelon hunt! We had to search for the hidden watermelon in the field! When our bunk found it we sliced it open and enjoyed the scrumptious fruit. Towards the end of the day CARNIVAL started! We were able to jump in the moon bounce! It was so bouncy and fun and then we walked around from booth to booth racing with our friends from the bubble gum race to the pennies in the flour, lollipop guessing, punch race, and much more! We didn't want the day to end!

Tuesday- The older divisions headed off to IMAGINATION STAGE! It was sooo cool! They watched professional actors and actresses perform the story of Narnia! Back at camp an exciting shaving cream version of twister was going on! Then we played an exciting game of Banana Mile where we had to measure things we saw around the camp even the head counselors heights with our banana!! We also made our very own sand with salt to create groovy ice-cream sundaes!

Wednesday- The younger division headed off to the AMAZING ART STUDIO!! There they painted beautiful ceramic items to take home! It was unbelievable seeing the talent we have here in CGI camp! Back at camp the bunks were playing pass the parcel game. Each player who un-wrapped a layer had to do a funny action till we got to the surprise prize in the center! Campers continued with their iShop activities they started on Monday which were: basketball, acting, tennis, or jewelry making! Then we ended off the day with Brachos Relay Racing! Each bunk had volunteers come up to race another Brocha. Hop to the finish line with the potato sack, eat the pickle up, Guess how many chocolate chips, bob the apple, slurp up the grape juice, and so on!

Thursday- The younger division got to blow a million bubbles in the field by water activities, and the older division got to go LAZER TAGGING!! Congratulations to the Red Team for winning three times in a row! It was too much fun running and hiding from the other teams and shooting them! "This team that team, this team is the best!" Then we played a thrilling game of cut-the-chocolate cake, and had fun collecting kosher labels in the field along with pareve, milk and meat foods to decorate on boards.

Friday- Today we had story book theatre! The older division got to finish making their besomim boxes and then started making challah napkin rings for the Shabbat table! Then there was a wacky mad science experiment with an erupting volcano! My eyes were popping out by the stunt! Shabbos party was a hit! And not to forget we got to do car washes!!!!!! Everyone scrubbed the cars and had water fights at the same time leaving the cars sparkling clean.

Cannot Wait for another amazing week in camp Gan Izzy! Love your head counselors ,Zelda and Bracha

Don't walk in front
of me

I may not follow
Don't walk behind
me

I may not lead
Just walk beside me
and be my friend
And together we
will walk in the
ways of Hashem

Up town, down
town, all around
the town,
It's kosher all day
long
And we will never
ever, ever eat milk
and meat together
So join us and sing
the kosher song
La La La La La

We've got spirit, yes we do
We've got spirit, how about
you?
We've got spirit, yes we do
We've got spirit more than
you?
You've got spirit, yes you do
You've got spirit, because we
gave it to you!

Jewelry making: This ISHOP is lead by Morah Ne-chama. The campers learnt really creative beading and knots for friendship bracelets and necklaces! They made some beach style bracelets and they came out with gorgeous results!

ACTING: WE HAD AN AWESOME ACTING ISHOP THIS WEEK! WE PLAYED MANY GAMES DEVELOPING AND IMPROVING OUR SKILLS TO USE OUR IMAGINATION. THE CAMPERS GOT TO SHOW THEIR DRAMATIC AND CREATIVE SIDE OF THEIR PERSONALITY.

Tennis :THE CAMPERS SWUNG THOSE RACKETS TRYING TO GET PERFECT BALLS. THEY WERE EVEN ABLE TO BEAT THEIR ATHLETIC COUNSELORS AT TIMES! THEY TAKE TURNS WITH THE COACH PLAYING GAMES TO TRAIN THEIR SWINGS.

Basketball: This is a team sport,which encourages the campers to play both independently and cooperatively to score baskets and win the game. The objective, besides for winning, is to have fun, perfect their throwing and aiming skills and to learn good team spirit.

What We Learned This

Fruits and Veggies Monday:

We learned about making Brochot on our foods before and after we eat. We are being grateful for the food. We learned the difference between the Brochot on fruits and veggies.

Shehakol Tuesday:

Milk, eggs, fish and meat are examples of foods that fall under this category. We learned about checking eggs for blood. The campers also learned how to recognize the kosher species!

Homotzi and Mezonot Wednesday

The campers enjoyed learning about all types of bread and Mezonot products and how they have separate after-blessings. They know how to wash for bread and say the proper blessing !

Pareve, Milk and Meat Thursday:

These are the three categories of food types. The campers learned a song about keeping kosher and had fun making their very own kosher guide.

Colorful Fruit- Friday:

Grape juice and wine have their own Bracha. We say it by the Kiddush and Havdallah. We played around the world and they reviewed everything they learned this past week!
