FLASHBACKS

Monday: Russia Day! A whole new exciting week of camp started here a CGI! The pioneers headed off onto their four day overnight trip! We sure missed them this week! Russian Monday started off with a petting zoo which included a pony and cute little animals to pet. Every bunk took their bunk picture by the petting zoo and made spray-painted pasta frames to put their memorable photo inside. Older division started their new selection of ishops and made Russian dolls! We then ended off the day with a grand game of "Escape from Russia."

Tuesday: ASIA DAY! Every camper experienced being a Chinese chef by making their very own delicious eggroll. We also designed and made Chinese fans, which were so useful in this heat! Older division went ice-skating! They then continued their day with an Amazing OVERNIGHT!!!! It included a barbeque, bowling, bonfire and melted marshmallows, glow sticks, manicures and a special bed-time story said by the one and only- Rabbi Adler!!!

Wednesday: HAWAII DAY! The counselors came dressed up wearing flowered necklaces. Younger division headed off to Clymijontri Park! It was a blast! When they came back they made welcome mosaics. The Sabras made their own Hawaiian necklaces. We made tropical slushed drinks . They were so refreshing and delicious!

Thursday: AFRICA DAY! The older division headed off to Six Flags! They experienced the amusement park like never before! They watched entertaining shows in the park and enjoyed all the rides! Back at camp younger division had tie-dying! They made funky shirts or socks and created some awesome designs! They also got to make African bongos. It makes cool noises when you shake it!

Friday: ISRAEL DAY! International dress up day! Every bunk came dressed up representing a different country, ranging from Texan cowboys to Hawaiian flower girls to Chinese folks to African and American Indians! We made fused - bead key chains designed as the Star of David! ! Today we had a really funny comedian say a lot of jokes! The whole camp was rolling in laughter!

It is so sad that another amazing week at the best camp in the world has come to an end! Don 't be sad because we still have another two more full weeks of intense activities to finish off this incredible summer! I love Gan Izzy! Can 't wait for next week.....

Am yisroel have no fear
Moshiach will be here this
year

We want Moshiach now
We want Moshiach now
We want Moshiach now
We don't want to wait

It's the simplest song,
There isn't much to it
All you gotta do is
Doodlidoo it

I like this song,
But the part I like best is:
Doodlidoo, doodlidoo,
doodlidoo Bunk _____ !!!

It's going to be the little little kin-
derlach. The little little little little
kinderlach. It's going to be the lit-
tle kinderlach that will make
Moshiach come.

ISHOPS

Sewing: Such an awesome learning experience! We sewed skirts, handbags, pillows and more! We got really creative with our iron on designs.

Wood Working: We built ships, trains, cars, and airplanes and painted them beautifully!

Tennis: Once again slamming fun with Coach Mike. We played awesome games like Chinese tennis and jail. We are still hitting our rackets with CGI spirit and sport!

Soccer: This Ishop was so lively this week. We kicked the ball energetically across the field and into the net. We had a blast as we figured out how to work with group effort and unity.
